President  
Robert V. Iosue

March 1987

Dear YCP Graduates:

What a change for most of you - from the student world to the world of work! If you are anything like our previous graduates, and I am sure you are, you will land a fine job and move ahead.

When you came here my advice to you was to study and to be involved in worthwhile activities, and you have done both. Perhaps not as much as you intended in every case, but well enough to graduate and start in a new direction.

My advice to you as you are leaving is not too much different. Work hard and find time to enjoy yourself along the way. Remember that your learning does not end with graduation, and the fun and games many of you enjoyed at college should not disappear.

The class of 1987 is a wonderful class that has given of itself to YCP and to community endeavors. Please maintain your civic responsibility, your enlightened outlook on life, and your sense of dedication to liberal learning and York College.

We're glad you passed this way; we trust you are the better for having done so, just as we are for having you here.

Our hopes and affection go with you.

Best wishes,

A handwritten signature in dark ink, reading "Robert V. Iosue".

## ZΔΦ

Zeta Delta Phi, with the help of Zeta Phi Omicron, was formed in the Spring of 84. We have a great relationship with Zoo. We encourage individuality and academic achievement in our sisterhood.

This year has been a good year for Zeta: We have been very busy. In serving the York community, we helped the Martin Memorial Library reorganize and also worked with the Salvation Army.

Our fundraisers this year included tuck-ins, Merry kiss-a-grams, Easter balloons, carnation sales and many others. Many of these fundraisers were shared with our brothers, Zeta Phi Omicron. We also had a Sweetheart Dance for Valentine's Day with Zoo.

In the spring semester, we look forward to a mixer at Shippensburg with the brothers of Pi Lamda Phi as well as our annual semi-formal and picnic with Zoo. For the first time, we are having a sister's weekend that will include an entire weekend of fun and togetherness for all sisters.

With the graduating spring class, Zeta will feel the loss of many of our founding sisters. Zeta relies strongly on tight friendships and thru these friendships we will all stay close.

## Zeta Phi Omicron

## ZΦO

A three and a half year old fraternity, Zeta Phi Omicron established a solid brotherhood in both members and strength. Beginning in 1984, Zoo has been affiliated with Zeta Delta Phi. Currently, Zoo has 39 members and is growing strong.

Throughout the year, Zeta Phi Omicron has various fundraisers, social events, and does community service work. Zoo's most memorable community service project is their annual dribble-a-thon for the Easter Seals Society, which takes place every first weekend in November. Members of Zeta Phi Omicron dribble two basketballs continuously for 48 hours. Last November Zoo raised almost \$1,000 dollars for the Easter Seals Society. The dribble-a-thon is accomplished with the help of WQXA-Q106.

On April 7, 1987, some 100 people filed into Wolf Gym for the 2nd Annual Mr. York College Contest. There was a feeling of excitement in the air as the audience sat in the dimly lit gym waiting for the contest to begin.

Applause filled the room as Tom Stoner, Tom Waters, David D'Angelo, Johnny O, and Chris Bass, the five contestants appeared on the stage.

Swimwear was the first category the five participated in. Tom Stoner appeared wearing a blue bikini while the others took the conservative root appearing in surf wear.

The Talent Competition proved that there is some actual talent here at YCP. Students saw a drum solo, lip sync, break dancing, soccer dribbling, and a David Letterman impersonation. According to David's list of 10 things for YCP students under 21 to do is NOTHING!

The five contestants proved to be true "studs" in the formal wear contest. All five contestants looked their Sunday best.

Even though all five contestants did a fine job, Tom Stoner took the crown as Mr. York 1987! In Tom's spare time he enjoys weightlifting, maintaining good grades, and partying at Murph's and the Depot! "It's a pleasure!" were the first words out of our new Mr. York.

# A Time For Classes

# And A Time For Fun

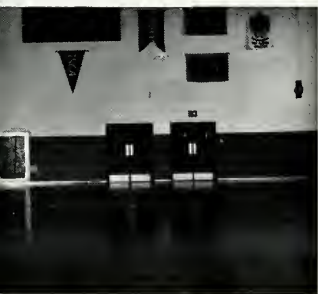

# Education Is That Which Remains, When One Has

# Forgotten Everything He Learned In School.

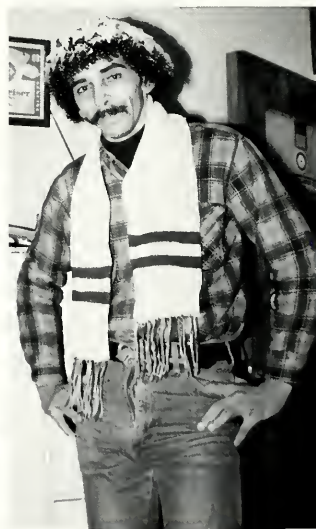

Education is not only what one learns in the classroom but, it is the total college experience. To survive in college, a student must get involved with the life of the college outside of the academic world. College offers many opportunities for involvement, there are fraternities, sororities, clubs, and parties. All of these things are essential to live the YORK COLLEGE EXPERIENCE.

# Around The Campus In 80 Days

York College offers many places for students to go and relax as well as socialize. There is time between classes to chat with friends in the hallways of Campbell Hall and Life Sciences. Other popular places are going from classes to dorms past the fountain, going to classes from dorms, the book store, Student Union offices, the cafeteria, and the ever faithful Snack Bar.

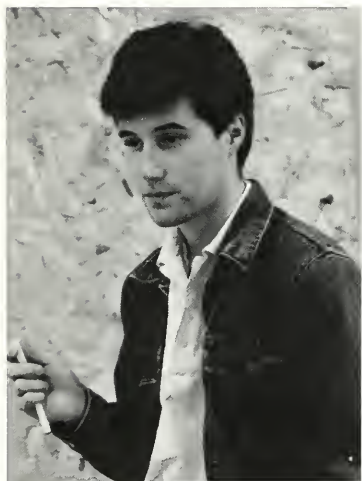

RAY A. MILLER  
ADMINISTRATION BUILDING

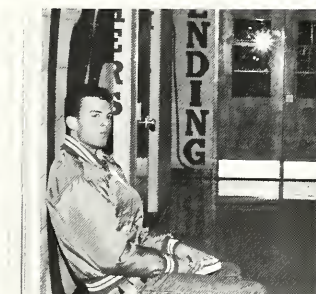

There are many aspects that go into compromising what we call York College. There are the buildings, the faculty, the administrators but, most importantly, there are the students. The students make the college what it is. They make up the fraternities, sororities, organizations and clubs.

Co-captains and middle hitters Christy Dorsey and Maria Pennings lead the team throughout the season, but the success of the team resulted from a total team effort. Setter/hitter Jackie Rutty and Kelli Masters were instrumental as quarterbacks of the team.

Season highlights included a come from behind victory to Dickinson College and a win against Elizabethtown. Top rated Messiah and Gettysburg College, nationally ranked Western Maryland, and Division I Loyola College gave the YCP women a tough challenge.

The look of determination.

Beginning in early September, Coach Reid and the 19 field hockey players set out to proudly represent York College. They were led by tri-captains Pam Sachetta, Joanne De Biasio, and Cindy Mickle.

The team struggled early in the season with injuries, specifically to the starting lineup and were forced to use some new inexperienced players in the varsity game. These athletes were committed and worked hard to improve their play. Pam Sachetta broke the career scoring record previously held by Marilyn Martain of 19 career goals. Pam had 19 entering the season and scored 4 ending with 23 career goals. The field hockey players ended the season with 3 wins, 9 losses, and 1 tie.

Jill Trone broke the 50 and 100 yd. butterfly records at Tri-States which were held at Frostburg College, MD.

Advance analyses suggested that the 1987 baseball Spartans would need a succession of good breaks to perpetuate the unusually strong baseball tradition York has enjoyed for many consecutive years. Exactly opposite occurred as a sequence of limiting misfortunes beset and tested the perseverance of an undermanned squad.

York faced an exceedingly demanding schedule based on previous successes. 1987's most recurrent playing disappointment was failure to capitalize on potential scoring opportunities. Nonetheless, squad morale was excellent under co-captaincy of Jason Webb and Craig Kern and the Spartans were highly competitive. They were respected by every opponent; and, in fact, veteran baseball observers generously praised the fashion in which the York players battled their frustrations.

# YORK COLLEGE OF PENNSYLVANIA

Country Club Road, York, Pennsylvania 17403-3426

Telephone (717) 846-7788

We would like to take this opportunity to look back at the year we had to put this book together. The faces on the staff were new and we all had other commitments. Yet, through pledging, plays, concerts, sports and jobs the dedicated few remained and did the work that was needed to pull it all together. Although we had our work set out for us, we were able to have fun too!

Let us always remember the pizza social that started us off in September, the late nights and weekends of work to make our deadlines, the movie quotes, the music, the chess games, " Church Lady," Q-Roo, and our favorite T.P. --- "NEIL!"

We had our share of good and bad times and yet, with a constantly changing staff, we managed to pull through. Special thanks goes to Mr. Kevin Willson, our assistant editor, and Mrs. Cathy Heilman for all their hard work and dedication. We would also like to thank and say good-bye and good luck to Mr. Lee Ward, our advisor, who is moving on from York.

It has been a great year and we thank all those who have supported us. We look forward to seeing old and new faces on next year's staff!
